

—kind receptionist at the Institute of Public Health, Tiranë

I know that HIV is not airborne

—the wise baker of Manëz

In the forest, there will be animals...

—Arbër, 10-year old in Manëz

He does not come in peace

I like your country... but I don't like your president.

He wakes up in the morning, and starts to play music ...

and I basically finish his sentences.

—the wife of an artist, married 50 years

There are two types of people: those who are born and become great, and those who are born simply great.

—boss lady with flyswatter in Manëz

The world is small, so we will meet again...

it is only the mountains that cannot move.

—Ali, father of 7 sons in Manëz
